**1. NOTE 1 - ACCOUNTING POLICIES**

The special purpose financial report has been prepared for distribution to the members to fulfill the Trustee's financial reporting requirements under the Albany Community Foundation Trust Deed and the Australian Taxation Office Public Ancillary Fund Guidelines. The accounting policies used in the preparation of this report, as described below, are consistent with the financial reporting requirements of the Albany Community Foundation Trust Deed and with previous years, and are, in the opinion of the Trustees, appropriate to meet the needs of members. The committee has determined that the organisation is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Australian Charities and Not for Profits Commission Act 2012 and the following Australian Accounting Standards:

AASB 101, Presentation of Financial Statements  
AASB 107, Statement of Cash Flows  
AASB 108, Accounting Policies, Changes in accounting Estimates and Errors  
AASB 1031, Materiality  
AASB 1048, Interpretation of Standards  
AASB 1054, Australian Additional Disclosures.

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on a modified accrual basis of accounting including the historical cost convention and the going concern assumption.

The following material accounting policies, which are consistent with the previous periods unless otherwise stated, have been adopted in the preparation of the financial report:

**a). Income Tax**

Public Ancillary Fund

The Australian Charities and Not-for-Profits Commission has registered the Trust as a Public Ancillary Fund. Consequently the Australian Taxation office has endorsed the Trust and it is eligible for the following concessions:

- (i) GST concession;
- (ii) FBT Exemption;
- (iii) Income taxation exemption.

The Albany Community Foundation is endorsed as a Deductible Gift Recipient.

No change in its tax status as a result of activities undertaken during the year is likely.

**b). Cash and Cash Equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

**As trustee for Albany Community Foundation**  
**Notes to and forming part of the accounts (continued)**  
**For the year ended 30 June 2019**

---

**c). Revenue and Other Income**

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

The Albany Community Foundation may receive non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the Statement of Comprehensive Income.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised as it accrues using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

**c). Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

**d). Comparatives**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**INDEPENDENT AUDITOR'S REPORT**  
To: Trustee and Members of the Albany Community Foundation

**Report on the Financial Report**

We have audited the accompanying financial report of Albany Community Foundation Pty Ltd, as trustee for the Albany Community Foundation, which comprises the Statement of Financial Position as at 30 June 2019, the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows for the year then ended and notes comprising a summary of significant accounting policies, other explanatory information, and the statement by committee members.

In our opinion the financial report of The Albany Community Foundation has been prepared in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission (ACNC) Act 2012, including:

- (a) giving a true and fair view of the Foundation's financial position as at 30 June 2019, and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2013.

**Basis of Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the foundation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the foundation's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Emphasis of Matter – Cash Receipts**

As is common for organisations of this type, it is not practicable for The Albany Community Foundation to maintain an effective system of internal control over monies received, until their initial entry in the accounting records. Accordingly, our audit in relation to this income was limited to amounts that have been recorded in the accounting records. Our opinion is not modified in respect of this matter.

**Responsibility of the Trustee for the Financial Report**

The Trustee of the foundation is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The Trustees responsibility also includes such internal control as the Trustees determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustee is responsible for assessing the foundation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Trustee either intend to liquidate the foundation or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the foundation's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustee.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Report on Other Legal and Regulatory Requirements**

- 1) In accordance with the requirements of section 60-30 of the ACNC Act. We are satisfied that:
  - a) we have received all information, explanation and assistance necessary for the conduct of the audit.
  - b) the Trustee has kept financial records sufficient to enable a special purpose financial report to be prepared and audited.
  - c) the Trustee has kept other records as required by the ACNC Act.
- 2) the Foundation has complied with the requirements of the Australian Taxation Office, Public Ancillary Fund Guidelines, 2011.
